Information provided by school.]

Australia Secondary School provides a comprehensive education program to students of diverse backgrounds. Special programs are offered to students who are learning English, and to gifted and talented students. An Autism Unit is housed within the school campus. We have a dedicated professional teaching team, support staff and supportive community members who work collaboratively to ensure that each child receives the best educational program we can provide. More information can be found at the schools website [www.australiass.qov.au](#) . The jurisdiction/system website can be accessed [here](#).
